

**Scott Ramsey, Chief
Industrial Section
Industrial/Municipal Branch
ADEM Water Division
PO Box 301463
Montgomery, Alabama 36130-1463
334-271-7838
sramsey@adem.alabama.gov**

As Chief of the Industrial Section Mr. Ramsey is responsible for managing permit development, and compliance and enforcement activities for wastewater and stormwater discharges from industrial sources as part of the NPDES permit and SID pretreatment permit programs. His duties also include providing technical planning and advisory assistance to public officials and industry.

Mr. Ramsey has been with the Department since 2002 and with the Water Division since 2004. He has also served as Chief of the Municipal Section, where he managed NPDES permit development, and compliance/enforcement activities for Municipal facilities before his current position.

Mr. Ramsey has a Bachelor of Science Degree in Chemical Engineering from the University of South Alabama and is a registered professional engineer in the State of Alabama.
